INTRODUCTION

A beautiful fairyland that touches the soul, a captivating and peaceful atmosphere, and a pure scenery like a fairy tale... Switzerland, a country that satisfy people's fantasy of paradise. Switzerland is located in south-central Europe, bordered by Austria to the east, Italy to the south, France to the west, and Germany to the north. This country, also known as the "Garden of the World", has the world's high-end watchmaking industry, as well as cities that everyone aspires to, such as Geneva and Zurich. In addition to the world-famous banking industry, clocks and sabers, Switzerland also has the resounding train scenery. Many attractions here are stunning and majestic. There are charming castles, first-class museums, amazing glaciers, lakes and mountains. Traveling by train through mountains and rivers, visiting local characteristic villages and taverns has become a unique and memorable experience of the journey. Come and join us on this fantastic Swiss train journey!

THINGS TO KNOW BEFORE COMING TO SWITZERLAND:

- 1.This is a mountain area, so the climate and weather here changes fast. If there is strong wind or snow, the entry of tourist spot will be closed for safety reason, so the itinerary may also need to be adjusted accordingly.
- 2.The most beautiful scenery is always on the road, and some itineraries / scenic spots require a short walk to reach. Some small towns in Switzerland cannot be accessed by vehicles and can only rely on walking.
3. Since some scenic spots need to be reached by train, we choose to take train as the main mode of transportation. We will also switch to different accommodations according to the location, group members can have a more complete Swiss experience.
4. This is a train tour, you need to carry your luggage when getting on and off the train, changing platform while transiting to other train as well as changing of accommodation. Therefore, it is recommended that the group members to bring a lighter luggage or a backpack.
- 5.It might be necessary to take bus if there is delay in train.
