INTRODUCTION

"Variety is the spice of life", whether you're a history lover or beach lover, Greece is certainly the place to find it! Greece lies at the meeting point of the three continents - Europe, Asia and Africa. It has more than 2000 islands scattered in the Aegean and Ionian Seas; one of the most mountainous countries in Europe; home to 18 UNESCO World Heritage sites.

Because of its geographical position, Greece was the crossroad of several civilization, all of which left their marks, which known as Ancient Greece. Besides the capital of Greece - Athen, the impressive rocks of Meteora monasteries was regconised for its outstanding value as an UNESCO World cultural heritage.

The country is famed for its ancient history and ruins, incredible culture and gorgeous island landscapes. Not to be missed the popular Greek island of Santorini, with its blue and white-domed churches overlooking the turquoise ocean. Come and join us on this incredible Greece journey!

THINGS TO KNOW BEFORE COMING TO GREECE

1. In Greek islands or mainland, we shall expect that everyone is on relaxed, island time. Do not expect everything to happen when it should. For example, restaurant might open a little later than the sign indicates.
2. Some of the places require climbing, it is not recommended for elderly.
3. Greek driving speed is around 50km/h to 70km/h, depending on the area. Therefore, it might takes much longer time in driving on the road (Day 1 Thessaloniki airport to Meteora; especially Day 2 Meteora to Athens).
4. Greece is an extremely popular tourist destination. Therefore, some of the itinerary we will be getting up quite early to start the trip.
5. Dress respectfully when in monasteries of Meteora and churches.
6. Prepare some cash for tipping in Greece (EURO).
7. Temperature are pleasant in late April - May, September - early October, it is around 20-25 degree Celsius.
