INTRODUCTION

● EGYPT - is long known of the four ancient civilizations in the world. It originated before 3200 BC and played as a central role of Asia and Africa. It also has the most strategic position of it's source. The ancient Egypt is rich in their culture, such as pyramids, mummies, pharaohs, the Valley of the Kings, the Nile River, and the Red Sea for which these are the biggest highlights of this trip.

● JORDAN - The Hashemite Kingdom of Jordan is located in western Asia, northwest of the Arabian Peninsula, Palestine and Israel to the west, Syria to the north, Iraq to the northeast, and Saudi Arabia to the south and east. Jordan is basically a small landlocked Arab country, with a stable economy, culture and a relatively prosperous life. The geography makes Jordan as an attractive tourism destination.

In this trip, we would cover these two countries, group members able to visit two magnificent world wonders at once. Exploring the two unique deserts, dipping in two different seas, and experiencing an extraordinary Arabian style country . You must not miss such a unique journey with us.
